

## Holiday Activities Scheduled

The halls will be decked with boughs of holly next week when the Normandie Recreation Center holds its annual Christmas Community Night at the center, 22400 S. Halldale Ave.

The Los Angeles City Recreation and Parks facility will open its doors to the public at 7 p.m., according to Tom George, director.

Christmas plays, carols, and Christmas dances will be part of the evening's entertainment, George said.

The community night at the Normandie center will be one of many sponsored by the Los Angeles City Recreation and Parks Department in the Southwest area.

## Hong Kong Flu Victims: Stay Home, Drink Liquids

Advice for Hong Kong flu sufferers was offered today by Mrs. Marie Fuess, director of Red Cross Nursing Services for Los Angeles Chapter.

She had four key suggestions for those who suspect the bug has attacked:

- Stay home.
- Stay in bed and drink plenty of liquids.
- Call your doctor and describe your symptoms. (Don't doctor yourself with home remedies first — the medicine you take might alter your symptoms or not be compatible with what your doctor wants to prescribe.)
- Tell would-be visitors to stay away.

Mrs. Fuess also had some words of advice for the mothers and wives who are already caring for one sick person in the family.

"Even a highly contagious disease need not spread through the whole family if strong measures are taken to isolate the sick person and his utensils," she said.

These are the measures she advised:

- Have the sick person stay in a room of his own.
- Have him drop used tissue into a paper bag that can be closed and disposed of safely.
- Dispose of any uneaten food from the ill one's plate promptly and wash his dishes separately. (Reserve them for his use or scald with water before they are returned to the cupboard.)
- Wash your hands before and after attending the ill one.
- Wear a cover-all apron while attending the ill one to keep from carrying germs on your clothing.

For those who haven't yet caught the flu, Mrs. Fuess also had advice: "Avoid crowds now but as soon as the flu bug goes into retirement, call the nearest Red Cross Service Center and sign up for a Red Cross Home Nursing course."

## City Aides To Meet on SC Campus

City managers of Southern California will hear about the Los Angeles Community Redevelopment Agency from Richard Mitchell, CRA director, when they meet for luncheon Wednesday, Dec. 18, at 12 noon on the USC campus.

"The CRA and Its Impact on the Southern California Community" will be the subject of Mitchell's address.

## Auto Tab Renewals Scheduled

As a convenience to shoppers and residents of the community, the Torrance office of Beverly Hills Federal Savings and Loan Association will provide facilities for renewing automobile license tabs this year.

Kenneth F. Spencer, president of the firm, said all offices will accept funds and registration slips and process them through the Department of Motor Vehicles.

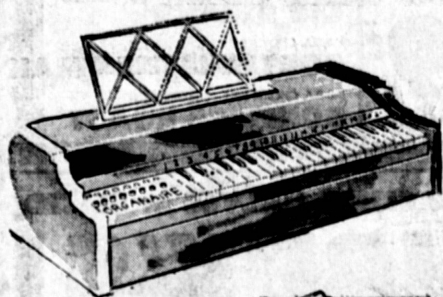

Extended hours at Beverly Hills Federal will make the new service valuable to persons who find it difficult to renew the tabs during regular office hours, Spencer said.

The Torrance office, located in the Rolling Hills Plaza, is open from 10 a.m. to 8:30 p.m. Monday through Friday and from 10 a.m. to 4 p.m. Saturdays.
